# PLS Staffing Solutions

## PLS Partnership Program

The Partnership is to work together and share the responsibilities to reduce costs of business operation, save management time, and to maximize your business profitability and growth. At PLS we do more than just staffing. As your primary staffing vendor we offer testing and training support at no cost and our service is guaranteed!

### How Does PLS Clients Partnership Work?

The process begins with PLS Recruiters recommending a fully qualified pre-screened candidate suitable to your staffing needs. Our proven approach is to qualify candidates to the following procedures:

- ☑ **Interviewing** candidates to place them in the best environment as a successful asset to the company's growth and prosperity.
- ☑ **Qualifying** candidates based on Workmanship, reliability, attitude, and work ethic.
- ☑ **Testing** candidates for their **strengths** and **weaknesses** according to your Management's recommendation.
- ☑ **Train** and strengthen candidates technical skills to your specific classification and needs.
- ☑ **Check References** to study the work history, relationship pattern, and analyze recent hiring or termination information.

## Time is Money!
